

# COLOR GUIDE

100% cotton paper and envelopes in two classic shades of white are available for all printing styles.

Choose your ink, envelope, and paper colors from fifty signature hues.

*Colors marked with an asterisk have a metallic paper option.*

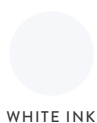

Metallic ink colors are available for screen printing and letterpress.

Metallic foil colors are available for letterpress printing and foil stamping.

White ink is available for flat printing and screen printing on dark colored paper or envelopes.

Blind impress (letterpress printing with no ink, just impression) is available for letterpress and foil stamping.
